Subjects.

1. Consideration of accounts of receipts and disbursements for the month of October 1898.

Recorded with a remark that owing to the death rate having risen to nearly double the average of the corresponding month for the last three years, the executive be requested to investigate and report on the special causes which might underlie this abnormal death rate. Further resolved that owing to 3 or 4 suspicious deaths every day in Mochighat, the Civil Surgeon be requested to investigate the matter and give his opinion; in consultation if necessary with the State Bacteriologist.

2. Letter No. 1077—583, dated 6th October 1898, from the Secretary to the Government of Mysore, Public Works Department, stating that the Government have been pleased to order that from the 1st July 1898, the working and maintenance charges of Vanivilasa Water-works be charged to the municipality.

Adjourned to next as the reference has not yet been received from the Sanitary Engineer with the Government of Mysore.
